

Bulletin of Nippon Sport Science University

Vol. 35, No. 1

September 2005

[Originals]

- The Causality in the Psychological Stress Model—Relation between Stressors and Stress Reactions— Yoshihide ENDA, Koji SASAKI and Tadayoshi SAKURAI 1
- Erforschung der Situationsbeurteilung beim Volleyballspieler
—Was Trainer unter Spiel mit „guter Situationsbeurteilung“ verstehen—
..... Koji SASAKI, Kazuyo MURAMOTO and Osamitsu SAIJO 11
- Relation between Golf Performance and Life Style: Development, Reliability, and Validity of Life Management Scale for Competition Takako HIRAKI, Kimio HASHIMOTO, Kiso MURAKAMI and Yasuhisa KUSUMOTO 21
- Characteristics of Microcirculatory Response in Female Athletics Swimmers Measured by Delta DPG Kazumi EGUCHI, Yukio TANAKA, Yuri KOBAYAKAWA, Hiroshi KIYOTA, Takashi TAKEMIYA and Akira HORII 29
- Isokinetic Muscle Strength of Upper Extremity in Archers
—Measurement Using a Pedal Machine— Sanghoon KIM, Takashi ITO, Kaoru TSUYAMA, Seiichi KADO, Sizuka ENOMOTO and Hiroshi KIYOTA 35
- An Investigation of Physical Capacity Related to Athletic Performance in Collegiate Table Tennis Players..... Taeung JUNG, Akiya FURUKAWA and Inkwan HWANG 43
- Relationship between Walking Speed on Left and Right Lower Limb Strength Balance in Older Women
..... Illyoung HAN, Tatsuki NAKA, Takahiro MUKAIMOTO and Makoto OHNO 51
- Analysis of Factors Influenced on the Mental Health among Students of the Physical Course by Painful Experiences in Athletic Sport
Part 1. Analysis of Factors Influenced on the Recognition of Painful Experiences
..... Yukie MIZUTANI, Tadayoshi SAKURAI and Daisuke TSUTSUI 57
- [Note]
- Relationship among Swimming Ability, Physical Competence and Anxiety in Long-Distance Swimming—Case of Students in Physical Education—
..... Nobuka MIYAKE 65
- [Review]
- Possible Application of Electron Spin Resonance to Monitoring of Prion Diseases and Hypotheses on Oxidative Action and Propagation of Copper-bound Infectious Protein Takuya FURUICHI and Tomonori KAWANO 71
- [Original]
- Immunogold Localization of Mitochondrial DNA in Synchronized Cells of *Euglena gracilis* Z..... Tetsuaki OSAFUNE 81
